*Faces may change but the tradition of 150 years of great music goes on!*

Founded in 1860, the St. Louis Philharmonic continues to serve the St. Louis metro area as a vital and viable cultural institution. This historical orchestra is composed of approximately 90 talented and dedicated musicians who have successfully auditioned for a position in this prestigious orchestra. Unique within the musical community, we are an all-volunteer, self-governing, not-for-profit organization.

We appreciate your continued attendance and support. We look forward to having you in our audience at both our classical concerts and our POPS concerts. Come and share our love of music with us.
